Katrina, Rita and God

By, Monsignor Bob Guste

Still active in ministry, Fr. Guste is presently in residence at Our Lady of Perpetual Help parish in Kenner (Greater New Orleans)—where he personally experienced the wrath of Katrina. In the midst of reaching out to those in need he began writing thoughts of what meaning under God could be taken from it all— for the future of New Orleans, our state and Gulf Coast area, and any area that has suffered a natural disaster.

Jesus Speaks to "Anne" a lay apostle

TO ROME AND BACK

CMJ President Jim Gilboj
with Sr. Pius

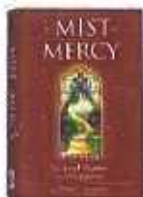

Sr. Pius presenting John
Paul II with Volume II

In December of 2003, and with permission from "Anne's" Bishop, CMJ Marian Publishers accepted the mission to publish the messages in a series of volumes. In January, 2004, Jesus gave Anne a series of 12 personal messages to give to Pope John Paul II. Jim Gilboj was to deliver the messages himself. By Divine Intervention Jim was present in Rome during Holy Week of 2003. The messages were given to a Cardinal, who presented them to the Holy Father that Easter Sunday. Three days later the group was called to a personal audience with the Pope. They were told that the Church was aware of the books, and would look at them with great care. The mission began!
